**News Article**

An article published in the *Chicago Sun-Times* entitled, "Hinsdale Oasis continues 50-plus year history," is available for review at the Village Hall. The article indicates that the Hinsdale Oasis is adjacent to Hinsdale, which obviously is not correct. More importantly, however, the article does indicate that Hinsdale is looking into the possibility of opening the oasis to local traffic. The Village of Burr Ridge has long been opposed to this proposal. I sent an email to the Village Manager of Hinsdale indicating our opposition to opening the oasis to local traffic.
